(If slots are available)

Note: Divisions are subject to change

Greenfield Minor League Baseball is set to begin the 2024 Season. Practices begin in April, with games beginning in May. Games are normally played during the week, between 5 pm and 8 pm, although some games and/or practices may be scheduled on the weekends. All players are welcome, no matter their current skill level. The registration fee includes Uniform and Hat. In addition to the registration fee, each player is expected to sell raffle tickets (approx. \$60). The league is always in need of volunteers, especially coaches, to help at all levels. Please consider donating your time to help the players and teams this year.

\* Player cannot turn 13 prior to May 1, 2024

*Note: This is not a school sponsored event*
